Grace Cameron Rogers Scholarship

Purpose

This scholarship is awarded to a practicing and/or emerging craftsperson to attend a recognized school or course to upgrade technical or design skills, or to seek a stimulus for greater creativity and inspiration.

As the cost of craft-related education (tuition, materials, travel, accommodation, etc.) can be high, there is an ongoing need for financial assistance to craftspeople to help defray these costs. The principle of the Grace Cameron Rogers Fund is held in trust by the CCBC, and the interest generated is awarded to a deserving member.

The current award is for \$1000.
